Exemption from Shoreline Management Act Substantial Development Permit Requirement

To: Ralph Jones, Ash Grove Cement
(name and address of the applicant)
3801 East Marginal Way S., Seattle, Wa. 98134

The proposal by Ash Grove Cement to undertake the following development:
To reinforce two existing dolphins at the large unloading dock
(be specific)
with five steel pipe pilings each. Also, add six new fender
piles on each dolphin.

upon the following property 3801 East Marginal Way South
(street address)
within Duwamish Waterway
(name of water area)

and/or its associated wetlands is exempt from the requirement of a substantial development permit because
the development is within the scope of "normal maintenance and repair"
(Identify exemptions as outlined in WAC 173-14-040) (Include Corps of Engineers Public Notice Number, if available)
of existing structures or development, including damage by
elements.

The proposed development is consistent or inconsistent with: (check one)
